

Food supplement with vitamins, minerals, plants, alpha lipoic acid, phosphatidylcholine and apigenin.

DIRECTIONS: Take one (1) tablet daily with a meal.
CAUTION: Individuals consuming more than 50 µg (2,000 IU) of vitamin D (from diet and supplements) should periodically obtain a serum 25-hydroxy vitamin D measurement. Vitamin D supplementation is not recommended for individuals with high blood calcium levels.

WARNINGS:

- Keep out of reach of children.
- Do not exceed recommended daily dose.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.

A food supplement should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Store tightly closed in a cool, dry place.
